EIGHTH ANNUAL
COMMENCEMENT

June 14, 1972

ACADEMIC DRESS

American academic dress had its origin in the garments worn at medieval British universities, particularly Oxford and Cambridge. Because of the close connection between the University and the Church, students and faculty wore clerical garb. It is from these medieval, cassock-like garments that American academic dress is derived.

The black mortarboard cap is adorned with a black tassel for holders of the associate, bachelor and master degrees. A gold tassel signifies the wearer has received a doctoral degree, or is a governing officer of an educational institution.

The associate's and bachelor's gowns are simple and may be recognized by long, pointed sleeves. The master's gown is fuller and the sleeves are square at the ends. The doctor's gown is more elaborate and has sleeves decorated with three horizontal velvet bars.

The hood is the most distinctive feature of academic attire. Used originally as a cowl, it is worn suspended from the shoulders. The length of the bachelor's hood is three feet; the velvet border, two inches. The hood for the master's degree is three and one-half feet long with three-inch border. The doctor's hood is four feet long; the border, five inches wide. The lining is colored with the official color of the institution conferring the degree. The border color indicates the field of learning in which the degree was earned.

Hoods worn by Niagara County Community College degree candidates display the blue and gold college colors on a background of white or gold. Candidates for the Associate in Arts Degree wear hoods with a white background. Hoods worn by Associate in Science and Associate in Applied Science Degree candidates have a background of gold.
The Very Reverend Kenneth P. Slattery, C.M., President of Niagara University, has served as chief executive of the 116-year old institution on Monteagle Ridge since 1965. His administration has been marked by a continuing expansion of campus facilities, enlargement of curricula and constant growth in student enrollment.

A distinguished clergymen and educator, Father Slattery was ordained to the priesthood in 1948. He studied at St. Joseph's College in Princeton, New Jersey; St. Vincent's Seminary in Philadelphia, Pennsylvania, and completed his theological studies at the Vincentian Fathers' Mary Immaculate Seminary in Northampton, Pennsylvania. His Master of Arts degree and Doctorate in Philosophy were conferred by the Catholic University of America in Washington, D.C.

Father Slattery taught German, Greek and philosophy at St. Joseph's College, Catholic University of America and at St. John's University in New York City. He served as Dean of Studies at Mary Immaculate Seminary and was Dean of the Niagara University Graduate School and School of Education for four years prior to assuming the Presidency of the University.

He is a member of the Board of Trustees of St. John's University and of Villa Maria College at Buffalo, a member of the Western New York Educational Television Association advisory committee and a member of the advisory committee to the Board of Directors of the Niagara Falls Friendship House.
