ACADEMIC DRESS

American academic dress has its origins in the garments worn at medieval British universities, particularly Oxford and Cambridge. Because of the close connection between the University and the Church, students and faculty wore clerical garb. It is from these medieval, cassock-like garments that American academic dress is derived.

The black mortarboard cap is adorned with a black tassel for holder of the associate, bachelor and master degrees. A gold tassel signifies the wearer has received a doctoral degree, or is a governing official of an educational institution.

The associate’s and bachelor’s gown are simple and may be recognized by long, pointed sleeves. The master’s gown is fuller and the sleeves are square at the ends. The doctor’s gown is more elaborate and has sleeves decorated with three horizontal velvet bars.

The hood is the most distinctive feature of academic attire. Used originally as a cowl, it is worn suspended from the shoulders. The length of the bachelor’s hood is three feet; the velvet border, two inches. The hood for the master’s degree is three and one-half feet long with a three-inch borderer. The doctor’s hood is four feet long; the border, five inches wide. The lining is colored with the official color of the institution conferring the degree. The border color indicates the field of learning in which the degree was earned.

Hoods worn by Niagara County Community College degree candidates display the blue and gold college colors on a background of white or gold. Candidates for the Associate in Arts degree wear hoods with a white background. Hoods worn by candidates for the Associate in Science, Associate in Applied Science and Associate in Occupational Science Degree have background of gold.

ABOUT NCCC’S GRADUATION

The students listed in this booklet are “Candidates for Degrees/Certificates.” Degrees and Certificates will be conferred upon success completion of academic requirements.

Degrees are awarded with Merit*, With Distinction** and High Distinction+ and are noted by the designations shown. If the graduate is a member of Alpha Beta Gamma and/or Phi Theta Kappa honor societies, an (A) or (P) is listed next to their name.

We apologize for any omissions or spelling errors. Due to late filing of Degree Name Card, the student’s name may not be listed in this program. However, the student will graduate if they have successfully fulfilled graduation requirements.
